

# Free Car Seat Safety Class

St. Francis Medical Center | Family Life Center

Participants will receive one **free car seat** per family!

**Join this virtual education class, hosted by St. Francis Medical Center, to learn how to keep your newborn safe.**

## 2022 Schedule

Classes are on Wednesdays, 10am-12pm

**March 9**

**September 14**

**May 11**

**November 9**

**July 13**

## Upon Registration

- Please have your ID and Medi-Cal, WIC or EBT information ready when registering
- Participants must be 7-8 months pregnant on the day of the workshop
- Participants must have access to email and a device that has a camera and audio (cell phone, computer, laptop or tablet)

## To register:

Call Felipe Cisneros  
at 310-922-0329

Registration required 2 weeks in advance of class

- This is a virtual event only (via a free WebEx app)
- No in-person classes are offered at this time
- Participants will complete a pre- and post-event online questionnaire and evaluation
- Car seat pick-up will be scheduled after the class has been completed
