

Expectant Parents Benefits & Resource English Session with Family Life Center Tour

St. Francis Medical Center | Family Life Center

Enjoy an informational session about the benefits and resources available to you, followed by a tour of our Family Life Center, and learn what to expect on your big day! During the tour you will visit Labor and Delivery, Post-Partum, and the NICU with bilingual nurses and staff who can answer all of your questions.

Pre-registration will be available (please bring photo ID and insurance information to complete your registration).

2022 Schedule – All sessions are on Tuesdays from 11am–1pm
