

You may be eligible to apply
for a *Covered California*
health plan during
special enrollment!

Qualifying life events include:

Getting married or divorced, having or adopting a child,
a change in income or citizenship, loss of health
coverage and more!

Our friendly and bilingual *Certified Enrollment Counselors* are
happy to assist you with the enrollment process step by step.

You and your family could qualify for financial assistance.
Call the Health Benefits Resource Center today for more information.
